An international student from Indonesia, currently in the third year of studying at the University of Sydney. Motivated to gain valuable work experience and develop practical skills while contributing to a team. Available full-time during the summer break, with a strong willingness to learn and adapt. Dedicated to delivering excellent service and supporting team goals through hard work and enthusiasm. Skilled time management with the ability to adapt to new environments. Passionate about contributing positively to a team and learning new skills to further personal and professional growth.

SKILLS

I am a hardworking, diligent, and responsible professional who values punctuality and has a strong capacity for learning quickly. I bring an open-minded approach to my work and excel in collaborative team environments. My positive attitude, friendly demeanor, and helpful nature enable me to build strong working relationships with colleagues and clients. Additionally, I possess excellent time management skills that allow me to prioritize tasks effectively and meet deadlines consistently.

Programming Language : Python, Java, C, html, css, bash, SQL, R, assembly
